

HARROWS

The Banquette Revolution

A close-up photograph of a brown leather surface, likely a book cover or folder. The leather has a natural, slightly textured appearance with some creases and variations in color. Three vertical lines of white stitching are visible, running parallel to each other across the upper portion of the image. The bottom portion of the image is a solid, darker brown color, possibly representing the spine or a different part of the cover.

**Feeling
frustrated by
banquettes?**

Soaking up
design time?

Compromising on
look and feel?

**Join the
revolution.**

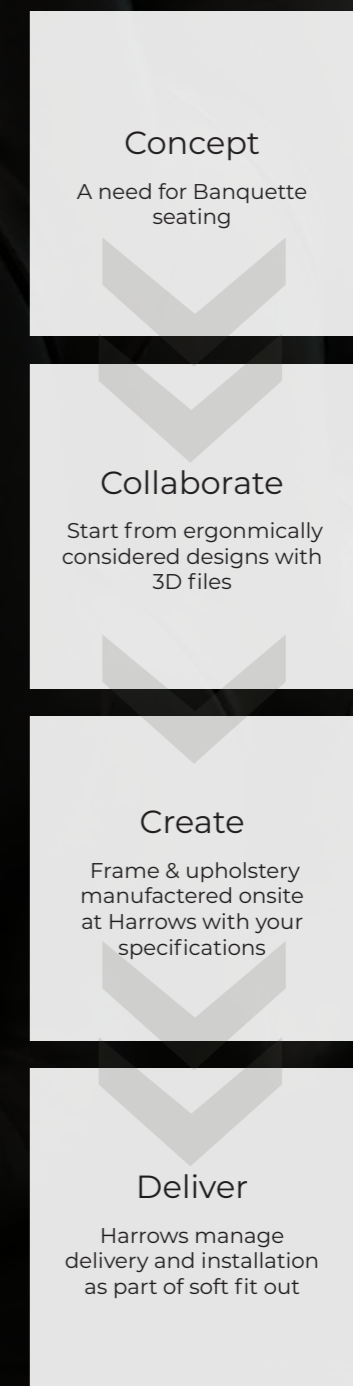

A complete solution with endless possibilities.

Delivering a finished
banquette with the
soft fit out.

The traditional model.

The Harrows model.

Design & install made easy.

Install.

- Minimise downtime by installing with soft fitout
- Timber carcass with removeable squabs allows easy transportation and install

Ergonomic.

- Tried and tested seat and back pitch to create the optimal experience when dining or lounging.

Upholstery.

- Any fabric
- Any panel and edge detailing
- Limited only by your creativity

Height.

- Choose standard back height variations for each profile
- Request custom back heights to suit your space

Configure.

- Layout options galore - most profiles have a full range of straights and corners, internal and external in either square or round.
- Rounds available with any radius to easily create U-shaped booths and alcoves.

Kickpiece.

- Specify any material and any finish

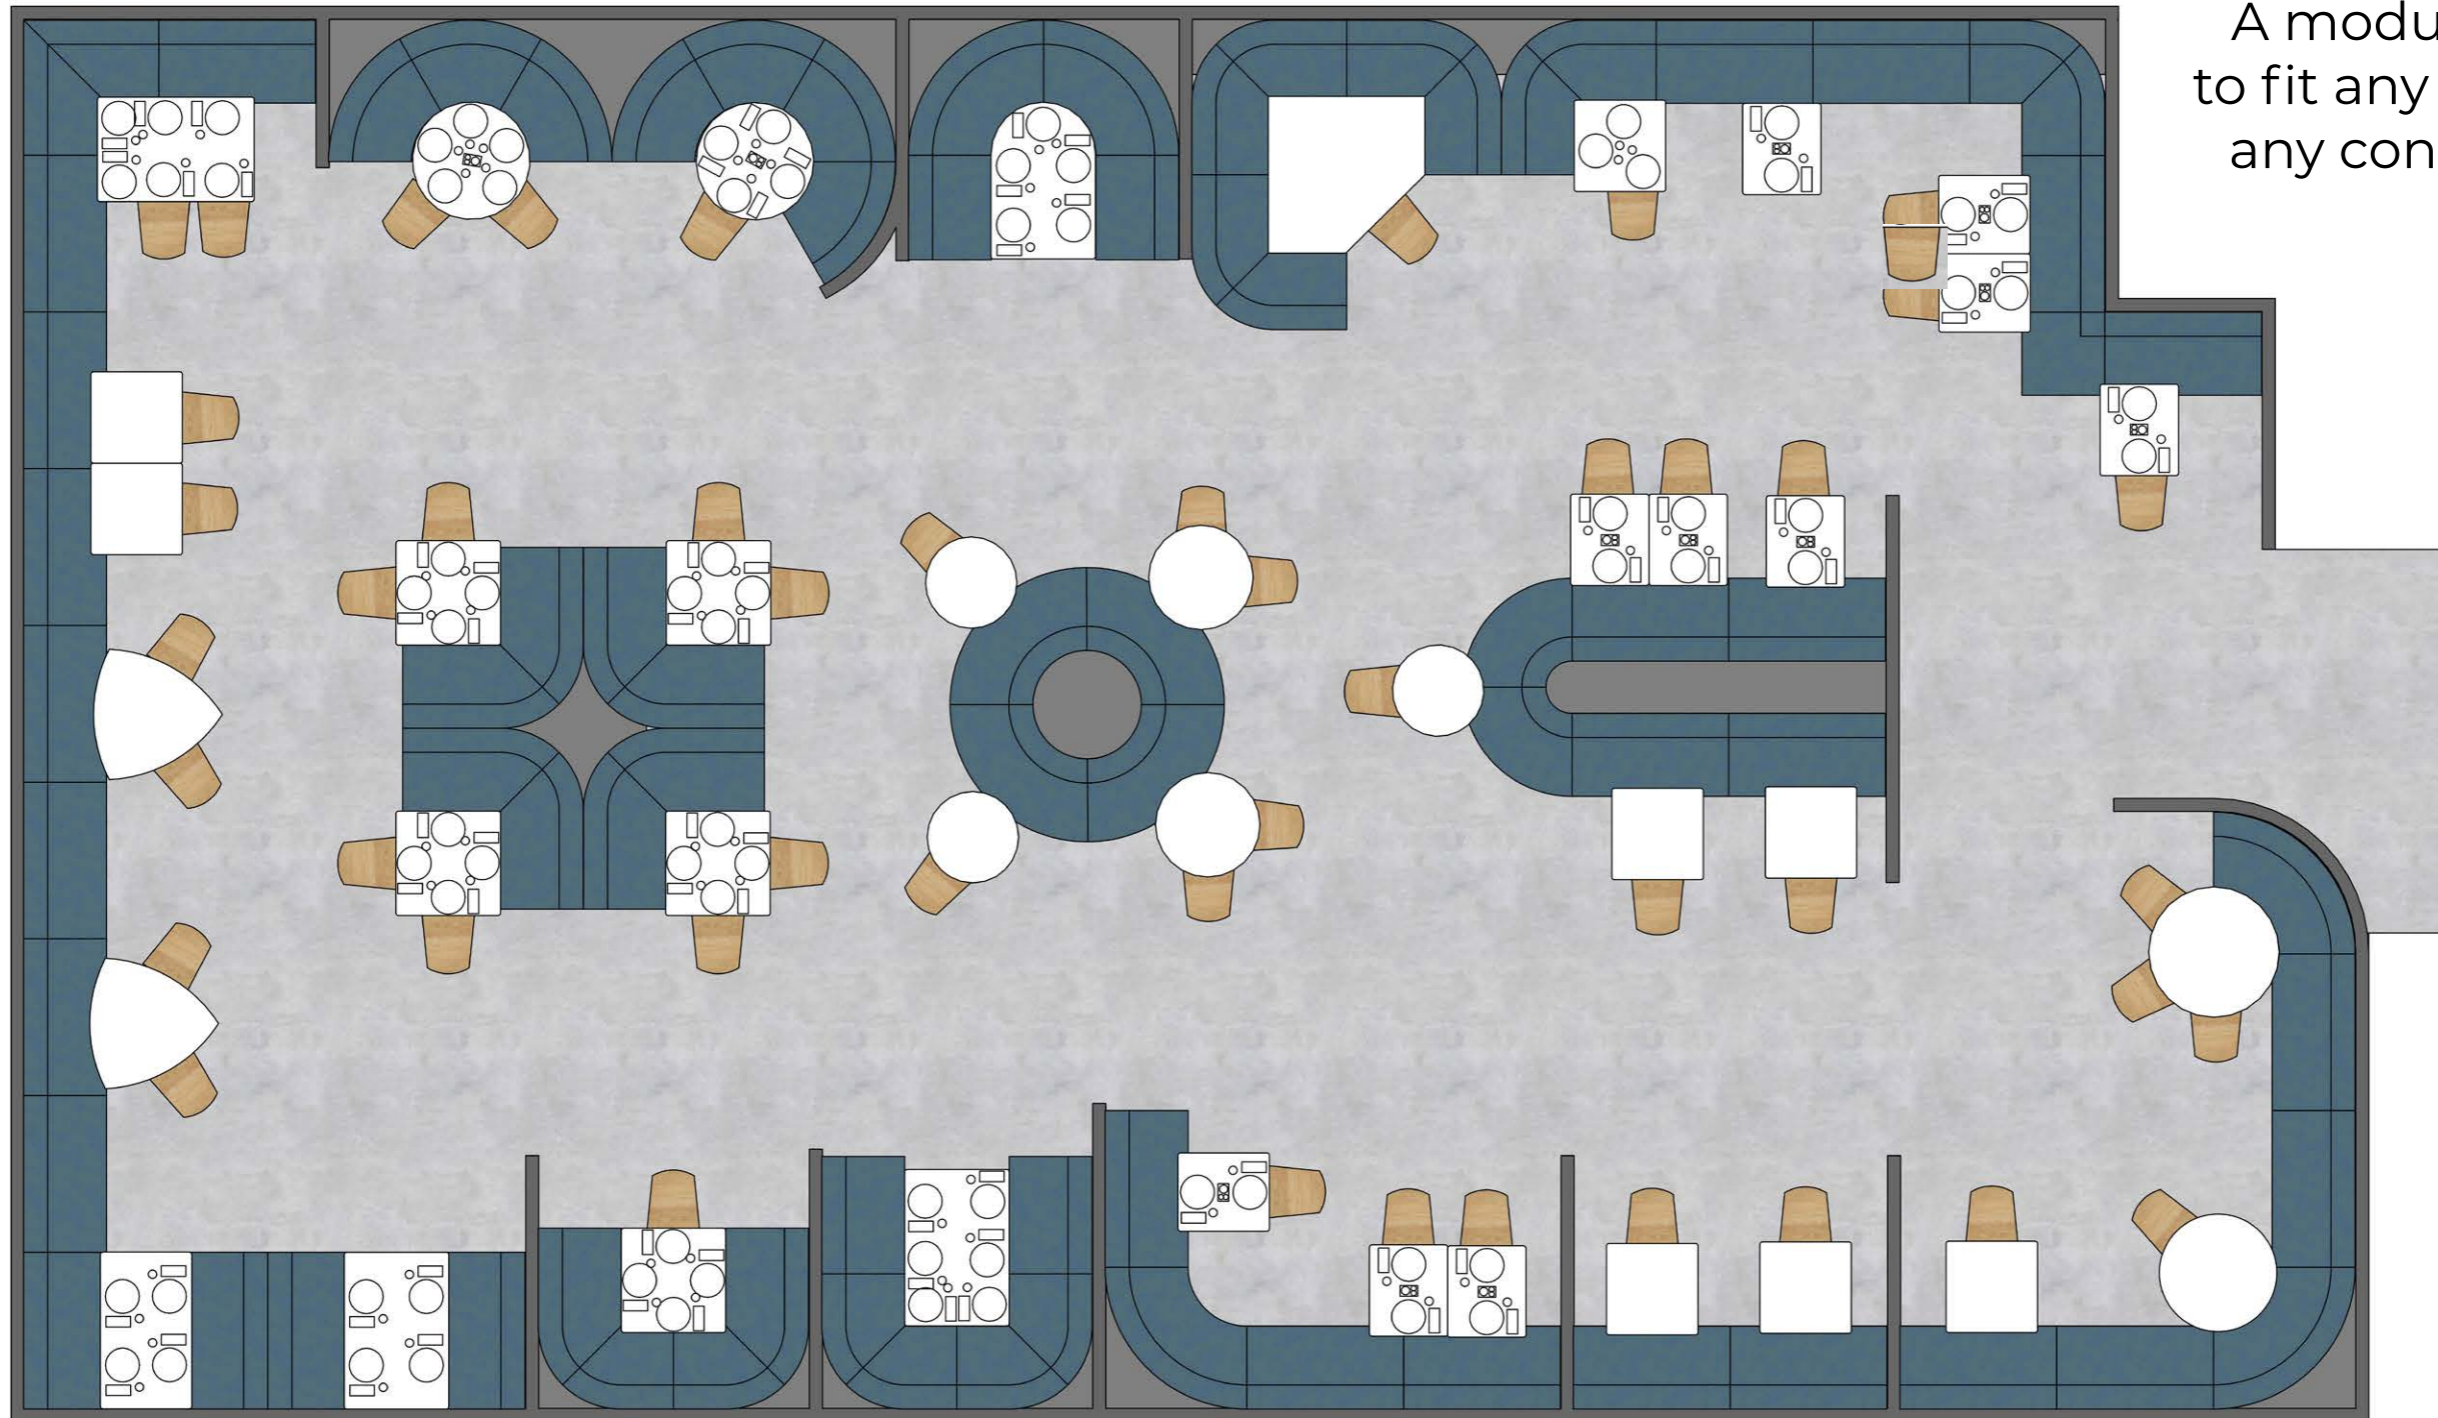

Modular.

- Upholstery panels clip on and off
- Replace damage without downtime

Go figure.

A modular system
to fit any space and
any configuration.

Profile.

Take your pick.

Ergonomically designed and detailed by us
so you dont have to.

A series of profiles with proven design and
construction fundamentals ready for your creative
vision. Take your pick then add your style.
