CRAFTED FOR CONNECTION

HARROWS.CO.NZ

Crafted for connection.

Beautiful, tailored furniture for social interaction.

Life is built on the interaction of people. We create thoughtfully crafted furniture that inspires meaningful interaction.

As humans, we naturally crave connection with others. We come together for all sorts of reasons, drawn to places that make us feel good. At Harrows our mission is to provide the tools to create spaces with personality and individuality, spaces that you'll love.

Made Personal. With local design and manufacture you get complete control to re-envision each piece of furniture with a finish that is uniquely yours.

Stain, paint, polish,
powder coat.

If you're not
going to make
it beautiful,
don't bother.

Our design philosophy is simple. It must
solve a problem. It must endure. And it must be beautiful.

To make a product enduring is to make it beautiful. Design that solves, captivates and endures.

Building connections is a personal thing. We are real people, backing it up with real skills. Thoughtfully crafted designs made here in NZ by family-owned third generation furniture makers.
