BELLA CHAIR

The Bella Chair is Italian designer furniture without the designer price tag. A traditional dining chair, it displays a delicate balance between sleek lines and angular edges. Constructed from solid European Beech, the chair has a fully upholstered seat and back, making sure your patrons are as comfortable as can be while still light enough for convenience and practicality.

The Bella Chair is the ideal solution for bars and restaurants desiring a touch of traditional sophistication and style. The extended Bella family also features a welcoming armchair and stool for a cohesive fit out.
