MET CHAIR

The Met Chair is a tried and tested hospitality furniture option that remains contemporary while providing the highest level of reliability and durability. The smooth lines of the heavy duty steel frame sit nicely against the comfortable shell.

These highlights make it ideal for high use areas such as food courts, airports and busy cafes. The beauty of the Met Chair is in its sleek and customisable design and its ability to adapt to so many different environments with its mix and match style of shell and frame colour options. Also available in stool height.
