REPLICA NAVY CHAIR

Long associated with industrial purposes because of its robust design, the Navy Replica Chair is increasing in popularity for hospitality venues for the same reason. Its aluminium construction makes it lightweight and practical, while strong enough to handle the extreme demands of bars, restaurants and cafes.

Upholstered seat options enhance this already comfortable chair, and an endless variety of powder coat finish options to bring an industrial pop of colour to your hospitality concept. The Navy Replica design is also available in the stool variety for a complete fit out.
