marble of genes 121

Elegance and simplicity are what make marble of Genes ideal with both modern and retro decors.

Uni collection

Some of the most common and coveted finishes are uni decors. The uniform look works well in many situations since it is very neutral but also contemporary and fresh. The pale tone brings a sense of cleanness and lightness to the space while the black decor twist of subtle sophistication.

white 001

White table can create a minimalist clean look with maximum impact, offering a more contemporary feel.

black 055

Black table tops make it easy for you to show off your most popular entrees and beverages for your customers, accenting the color of your dishware and the food itself .

alu 056

Modelled to create a brushed silver look, this finish adds a sense of depth to a material that is most commonly associated with utilitarian purposes.

anthracite 084

Anthracite perfectly combines with concrete, steel or wood that is why it suits to either classical, minimalist, rustic, loft and industrial. It greatly matches with contrasting colors. What is more, it creates a harmonious combination with white.

Wood collection

The beauty of wood tabletops is undeniable. They're luxurious, versatile in style, application, and bring warmth to any space
