CRAFTED FOR CONNECTION

[HARROWS.CO.NZ](https://harrows.co.nz)

Crafted for
connection.

Introducing Met

The Met Collection is a classic commercial seating option, tried and tested in demanding environments.

With smooth lines and a heavy-duty steel frame, each piece balances durability with a ergonomic shell. Chair or Stool, the collection’s customisable mix-and-match colour options make it a versatile choice for food courts, airports, cafeteria’s, and more.

For places
where people
gather.

HPL Shell

Met is available with a Black HPL shell with an exposed ply edge for both the chair and stool, offering superior wear resistance.

Add Upholstery

Choose from an upholstered seat front, or a fully upholstered shell in any fabric.

Ash or Beach Shell

For a natural timber look select from the pre-finished Clear Beech Veneer, or select a stain colour for the Ash Veneer Shell.

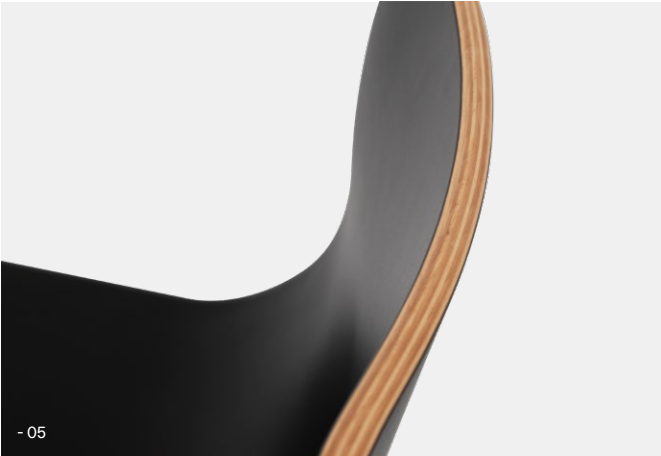

Powder Coated

The steel base can be powder coated in any colour.
