

EXTANT COLLECTION

Harrows

CRAFTED FOR CONNECTION

[HARROWS.CO.NZ](https://harrows.co.nz)

Crafted for
connection.

Introducing Extant

Built to last, the Extant family features tables and leaners with stools and bench seats to match. In keeping with its name, the Extant collection is constructed to survive with a robust welded steel frame that has been zinc coated to withstand the rigours of outdoor.

The slatted sapele hardwood top has a rich tone and grain to compliment the style and atmosphere of your space. Designed for entertaining, the Extant range is the perfect solution for outdoor furniture, dining and bar areas.

We are drawn
to places that make
us feel good.

Sapele

Sapele is a robust West African hardwood timber that is reddish-brown in colour with an interlocked fine grain. Sapele is the ideal hardwood for outdoor furniture construction due to its resistance to decay and moisture.

Stool + Bench Seat

The Extant collection offers three stool heights at 450, 650 and 750mm to accompany tables or leaners, and bench seats in lengths to pair with all table sizes. Complete your fit out a full cohesive collection.

Leaner + Table

The Extant collection offers table height at 750mm or leaner height at 1050mm.

Oiled Finish

Designs that are constructed from Sapele timber are finished with an ‘Oiled’ finish as standard, or you can request our ‘Dark Oiled’ finish. Regular oiling will help to condition and protect the timber.

Zinc Coated

A robust welded steel frame that has been zinc coated to withstand outdoor conditions. Powder coated any standard colour

Certification	Global GreenTagCert™ GreenRate Level C GreenTagPHD™ PlatinumHEALTH™ & HealthRATE™ FSC® Certified

Made for life.

The Extant Collection carries GreenRate™ Level C certification and PlatinumHEALTH™ HealthRATE™ certifications under the Global GreenTag International Product Health Declaration™ (GreenTag PHD™) program.

In the Green Star® NZ program Level C carries 50% of the credit points. The GreenTag PHD is recognised by WELL™ and LEED®

The Extant Collection is also FSC® certified timber ensuring that forests are managed in a way that not only takes care of the animals and plants that call it home, but also workers and local communities who rely on forests, and indigenous groups whose heritage connects them to forest landscapes.

Designed by Harrows.

“If you’re not going to make it beautiful, don’t bother.”

Mark Suckling, Creative Director.

Mark heads up our inhouse design team and development team, and his guiding philosophy is simple. It must solve a problem. It must endure. And it must be beautiful. To make a product enduring is to make it beautiful.

Life is built on the interaction of people. We fill spaces with thoughtfully crafted furniture to facilitate these interactions.

Let's talk.
