- 04
Frames powder coated in colour of choice
- 05
Solid timber top with Global GreenTagCert™ GreenRate Level C

Fero

FERO LEANER

Rustic meets industrial - the Fero Leaner is part of our collection inspired by the beauty and ruggedness of raw materials. The timber brings resilience and warmth to the design with a bold rustic touch. The refined steel frame adds even more visual strength and power, encapsulating the industrial style and the notion that the pieces will stand the test of time.
