PI LEANER

With its stunning edge profile and solid timber construction the Pi Leaner will make a unique statement in any hospitality interior. The beautiful edge detailing adds a point of interest for this conversational piece. Thanks to its solid timber top and frame, this design is strong, robust and can be stained any colour to suit, mix or match top and frame colours.

This leaner is perfect for bars or restaurants and is available in smaller conversation style sizes right through to large leaners. Pair it with the greater Pi Collection, including pedestal tables and dining tables for full effect.
