## SLAB OUTDOOR LEANER

With strong lines and contrasting materials, the Slab Outdoor Leaner is a stunning feature for your cafe, bar or restaurant. Created to accentuate the beauty of solid timber and showcase our natural resources, the Slab range lends itself to larger sizes and encourages communal dining, becoming a conversation piece thanks to its rugged yet refined natural elements.

Designed and manufactured in New Zealand from solid timber and locally quarried Bluestone, deliver something special and unique with this bar leaner.
