

Experienced Joiner

Short Description:

We are currently experiencing strong growth and are looking for an experienced and innovative Joiner to join our manufacturing team.

Full Description:

At Harrows we are all about hospitality furniture and making it personal. We are a family business who have been involved in furniture manufacturing for over 30 years. With a showroom in Auckland and our manufacturing facility in Timaru we offer a full hospitality furniture service.

With an upgrade of plant including the latest 5 axis CNC technology, we are looking to add more experience to our team to make a difference and help take our production processes to the next level. If the following sounds like you, apply today and "Let's Make It".

This position involves:

- Operating woodworking machinery safely and accurately
- Following plans to produce components or finished products
- Coming up with, and applying solutions to product and process challenges in a production environment
- Progression and leadership positions are available for someone who demonstrates the ability

The successful applicant should be:

- Experienced in a trade (trades other than joinery will definitely be considered)
- A creative and independent thinker
- Able to work as part of a team and take leadership of the team if required
- Accurate in their workmanship with a high level of attention to detail
- A positive influence on our team
- Able to accurately follow plans and work within timeframes
- Experience in joinery preferred but not essential

Please apply with a copy of your CV and a cover letter to laura@solvehr.co.nz. If you don't have a CV please write an email to apply with as much information about yourself and your past work history as possible.
