

Spray Painter - Furniture

Short Description:

We are currently experiencing strong growth and are looking for a full-time spray painter to join our manufacturing team.

Full Description:

At Harrows we are all about hospitality furniture and making it personal. We are a family business who have been involved in furniture manufacturing for over 30 years. With a showroom in Auckland and our manufacturing facility in Timaru we offer a full hospitality furniture service.

As a result of strong growth, we are looking for a full-time spray painter to finish our furniture products to a high standard. With a large variety of products and finishes in our projects this is a rewarding and interesting role with a supportive team.

This position involves:

- Staining and finishing solid timber furniture items
- Spray painting of furniture items
- Maintaining spray booth plant and equipment as required
- Coming up with, and applying solutions to product and process challenges in a production environment

The successful applicant should be:

- Experience as a spray painter, preferably working with furniture and joinery
- A good understanding of spray equipment and paint systems
- Able to work as part of a team
- Accurate in their workmanship with a high level of attention to detail
- A positive influence on our team
