MAXIS OTTOMAN

As part of the wider Maxis Collection, the Maxis Ottoman is the perfect addition to any commercial environment. Compact and robust, it can add that extra dimension to your office or cafeteria.

Made with a durable timber frame and placed upon either steel plinths or furniture glides, the Maxis Ottoman is light-weight and easily portable, meaning it can be effortlessly rearranged to change the look and feel of your space. With the ability to be upholstered in any fabric, this piece can be totally customised to suit your venue.
