## TACTUS CLASHED TABLE TOP

The Tactus Clashed Table Top is an exciting innovation for the hospitality industry. The natural linoleum surface is elegant and durable, radiating high quality and finesse. Its mat surface and warm, soft texture makes it ideal for busy cafes and restaurants.

The clashed timber edging frames the unique table top surface, presenting a finished and polished look for your cafe or restaurant table tops. Choose from an extensive range of over 20 lino colours to create your look and check out the Tactus on ply for an edgier look.
