## VERSATOP TABLE TOP

Versatop table tops are manufactured to strict European standards and come in a large range of designs and sizes. The special mix of resins used in all Versatop table tops provide a highly stable product designed to keep you looking your best, year after year... built for wear and tear.

As well as being weather proof, the seamless construction means total hygiene - there are simply no edges or pores to entrap any residues - one wipe and they're clean. The Versatop is suited for both indoors and out, perfect for alfresco dining tables, cafe tables or outdoor bar tables.
