

STUDIO BALUTTO ASSOCIATI

An atelier continuously active, a mix of creative workshop and productions shop. Founded by Adriano Balutto, with Veronica Balutto as creative assistant, the studio develops forms and stylistic strategies for leading companies within the furniture and chair fields. Balutto's studio offers interior design, furniture and components design for their clients. Active and always up to date, the studio also offers professional advice regarding trends and tendencies. Many of their products, resulting from deep research and acquired experiences from different parts of the world, have been judged by the market as "best sellers". With a CV full of projects, integrated programs for offices and contract design, exhibit designs for fairs and showrooms, the activity of Balutto's atelier has received many prizes at an international level and is in continuous development, researching evolving trends. Specialized in planning, Balutto Associates constantly aims at growing together with its customers: the atelier's success travels in symbiosis with the goals achieved by the companies supported. Dedication and attention aimed at obtaining the best possible results.
