ACTION BANQUETTE

A compact banquette for meeting or eating.

Through its compact form and innovative use of space, the Action Banquette is the ideal booth design for tight spaces. Designed for dining or working, its high back offers acoustic insulation and its compact footprint allows you to make the most of small spaces. The pitch of the seat and back have been ergonomically considered to be paired with a table for meeting or eating.

Create collaborative work areas to encourage activity without distraction, or intimate dining nooks.
