

TREY STOOL

Harrows

CRAFTED FOR CONNECTION

HARROWS.CO.NZ

Crafted for
connection.

Introducing Trey

Let the Trey Stool play a starring role in your fitout. Designed and manufactured by the team at Harrows, the delicately tapered tripod style legs create a lightweight look while bound with a footring, creating a perfect tension between steel and timber elements.

Personalise each element with your own colours and finishes to inject life and personality into your workspace or social space.

Thoughtfully
crafted for
shared spaces.

Solid Timber

Crafted in New Zealand from solid American Ash, the Trey Stool offers strength, durability, and a natural timber aesthetic.

Stained or Painted

Select from a range of standard stains or opt for a custom painted finish to match your interior palette.

Upholstered Seat

Optional upholstered seat pad, available in any fabric to suit your space and needs.

Tripod Style

Designed with delicately tapered tripod legs, this stool achieves a lightweight, refined look while maintaining stability and support.

Footring

The stool legs are securely bound by a steel footring, reinforcing stability while providing a comfortable resting place for your feet, powder coated any colour.
