Introducing Pillar

With a deceptively simple design, this 'off-balanced' coffee table is the perfect addition to the discerning reception space. The Pillar appears to defy gravity thanks to it's weighted column base, and is sure to make a statement.

With a range of different heights and diameters, ypu can layer up these contemporary occasional tables in the coffee nooks and corners.

Artfully
balanced,
elegantly
poised.

Layer + Nest

Pillar is available in various heights and diameters, designed to layer against each other. Create cohesive nested table arrangements for reception and waiting spaces.

'Off-balanced' Design

This striking 'off-balanced' design creates the illusion of defying gravity. Anchored by a weighted column base, it seamlessly blends bold aesthetics with stability, making it a true statement piece.

Stain or Paint

Made from solid American Ash with a timber veneer column, the Pillar can be stained or painted in any colour.

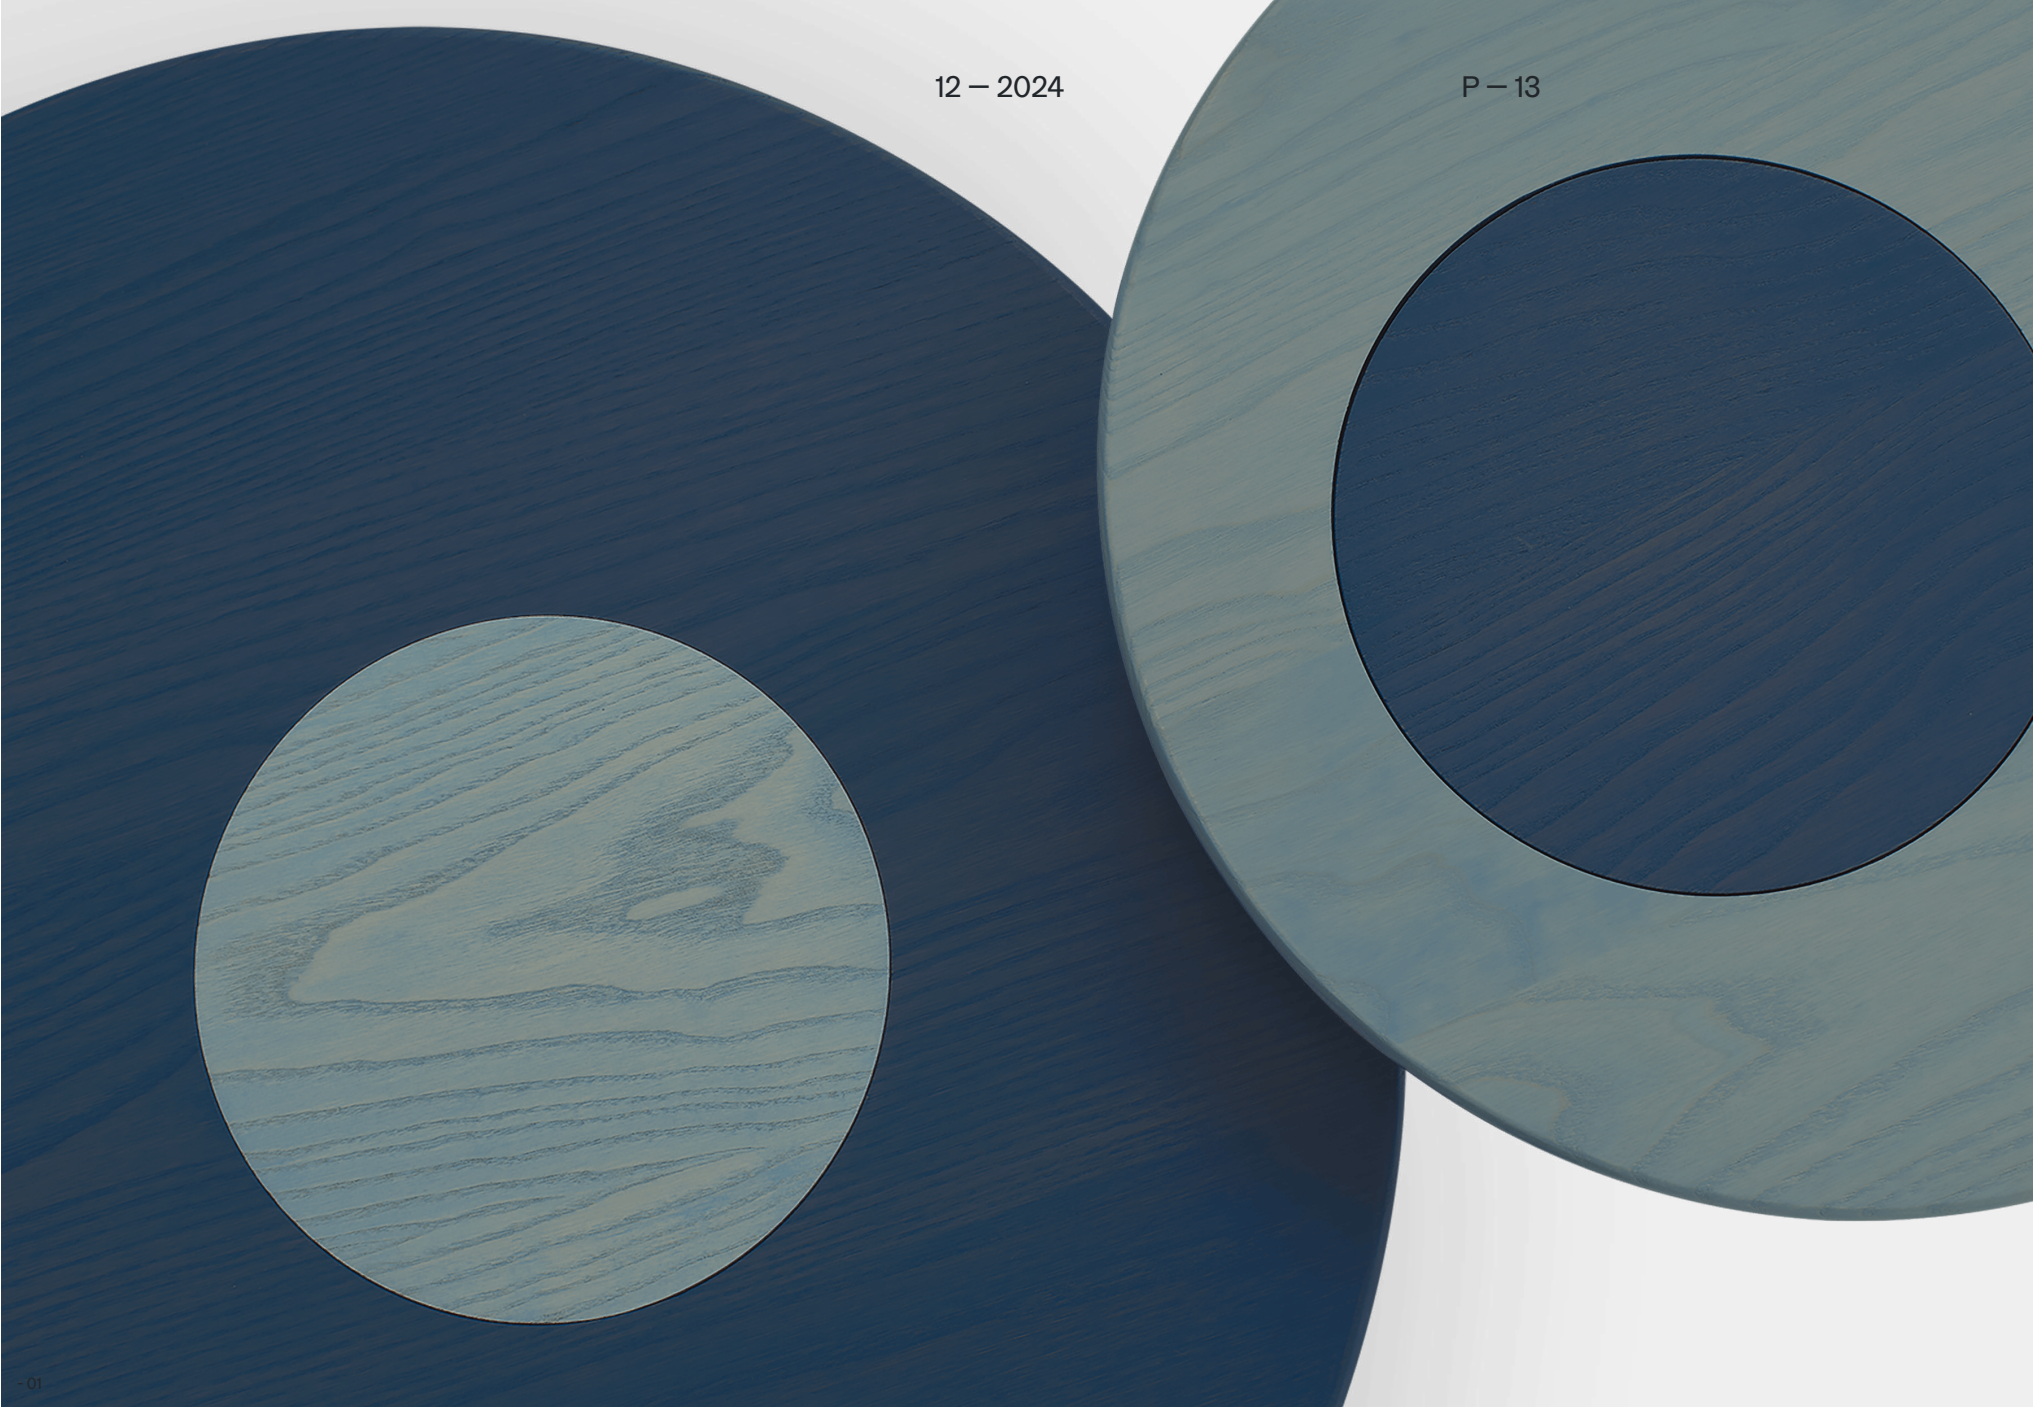

Undercut Edge

The Pillar features an undercut edge, a refined detail that adds visual intrigue to its design.

Two Tone

The contrasting two-tone finish creates the illusion of the column running through the solid top.
