Crafted for  
connection.

# Introducing Tier

In today's fast moving team environments, impromptu interactions are part of everyday life. Create spaces that encourage the user to engage creatively with their environment and promote lively group dynamics.

With Tier you configure your space the way you want it. Then reconfigure time and time again to completely new layouts with a few easy manoeuvres. Build and rebuild any combination of soft or solid tops for endless creativity.

Shape  
spaces for lively  
collaboration.
