CRAFTED FOR CONNECTION

HARROWS.CO.NZ

Crafted for
connection.

Introducing Array

Array is a freestanding meeting booth system that addresses the need for flexibility and adaptability in today's fast-paced world.

Built around a modular framework, the concept is self-supporting and can drop straight into a fitout, without the hassle of permanent fixtures or costly renovations.

Array Present

A freestanding hub for hybrid collaboration. Create a dynamic presenting nucleus within your workspace. Level the playing field for video conference experiences with this inclusive freestanding design available with any circular or rounded Collaborate configuration, low back or high back.

Array Collaborate

Array Collaborate is a freestanding seating system that addresses the need for designated focus work areas without creating isolation. In an era where we crave social interaction, Array can deliver a harmonious balance between focus and connection.

Array Meet

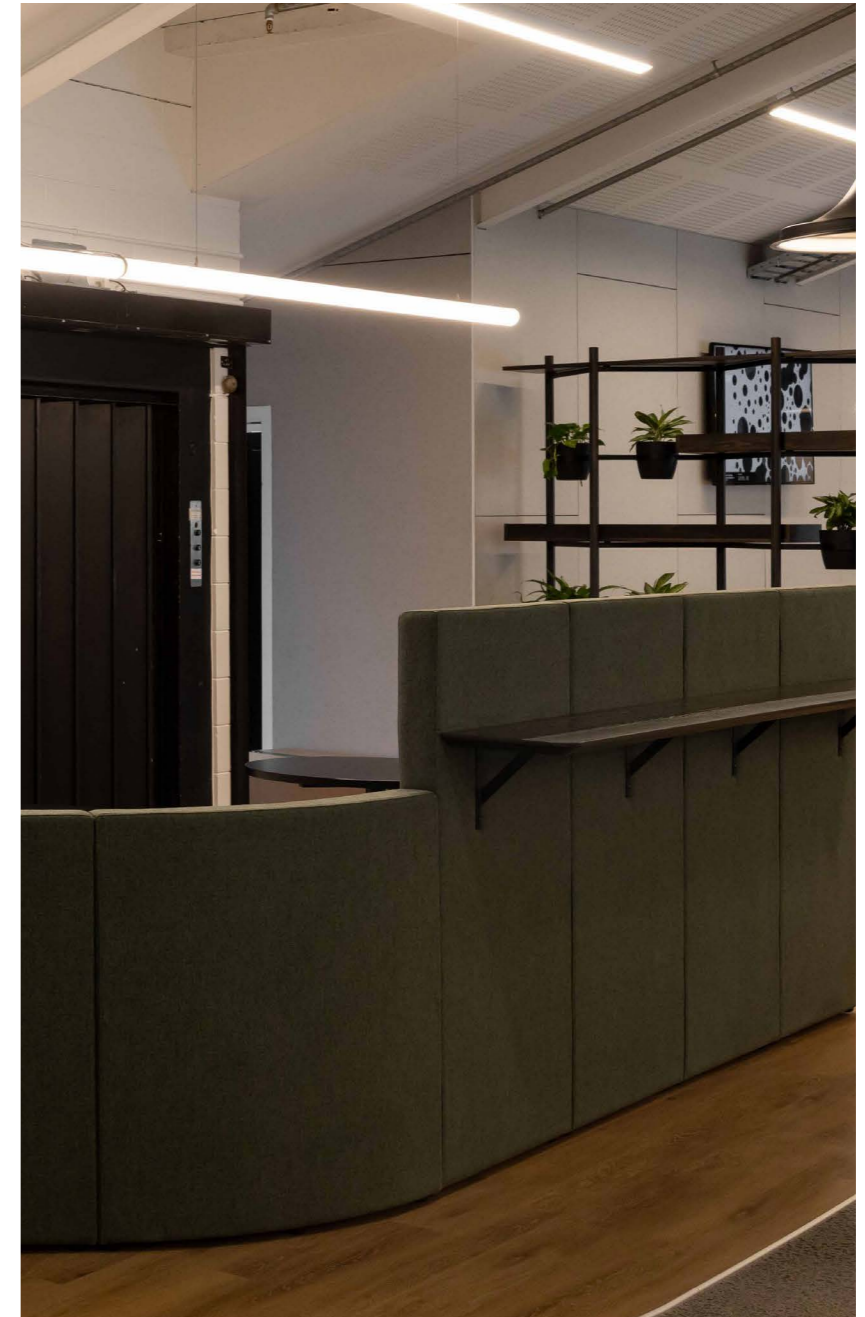

An innovative face to face meeting pod with as much privacy as you need. This unique railway carriage booth seat offers a range of size options and customizable features, including the choice of an enclosed top and back wall. Retreat without disconnection.

Integrated power options in wall for configurations with back

Closed Back cable management alcove

Optional back-mounted leaner

Back panel in a range of materials

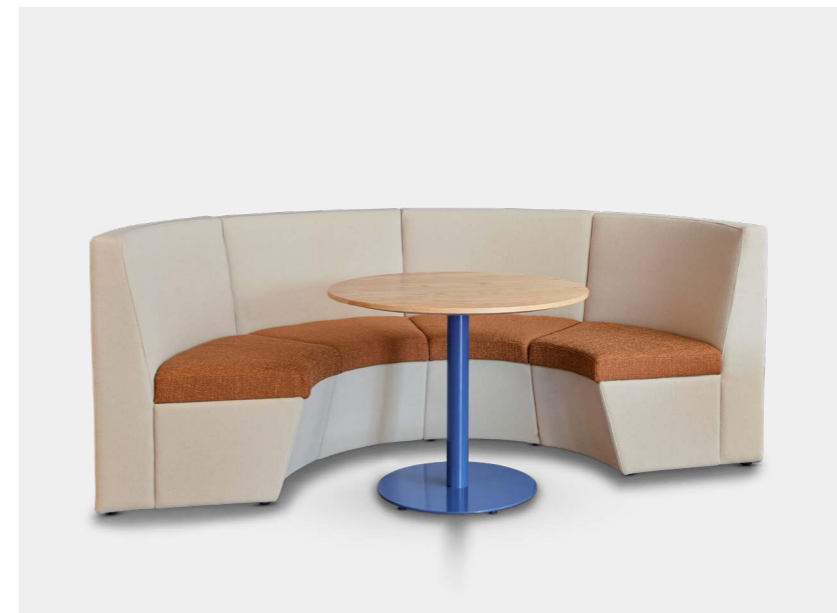

Key Features

- 01 Configure any length or shape
- 02 Fully upholstered in fabric of choice
- 03 Freestanding without fixed installation required
- 04 Integrates with Array Meet or Array Present

Array Collaborate

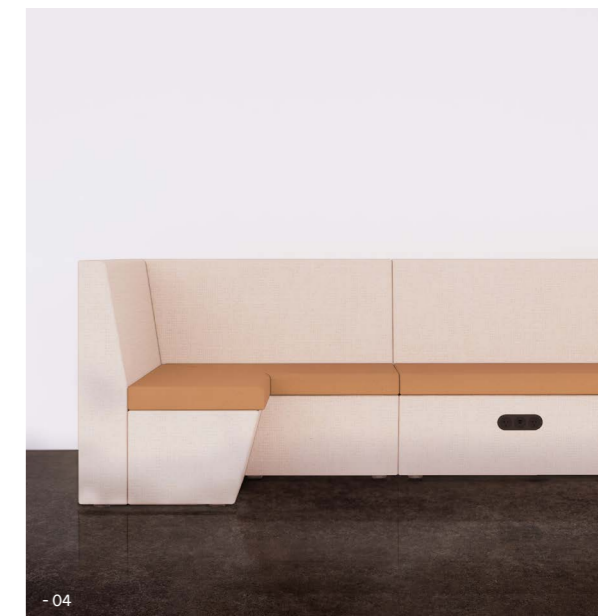

Nurture connection. A dynamic and adaptable freestanding alcove designed to cater to a wide range of needs, including education, meetings, training sessions, and huddles. This innovative design provides semi-private space enhancing connection, collaboration and productivity. The modular nature of the booth allows for customizable configurations to match your specific requirements.

With a full suite of 3D resources available on our website you can be the master of our own configuration.

Considered for every connection.

Collaborate

Spaces for collaboration to build community without hierarchy

Meet

For more formal collaboration, projects and teamwork

Relax

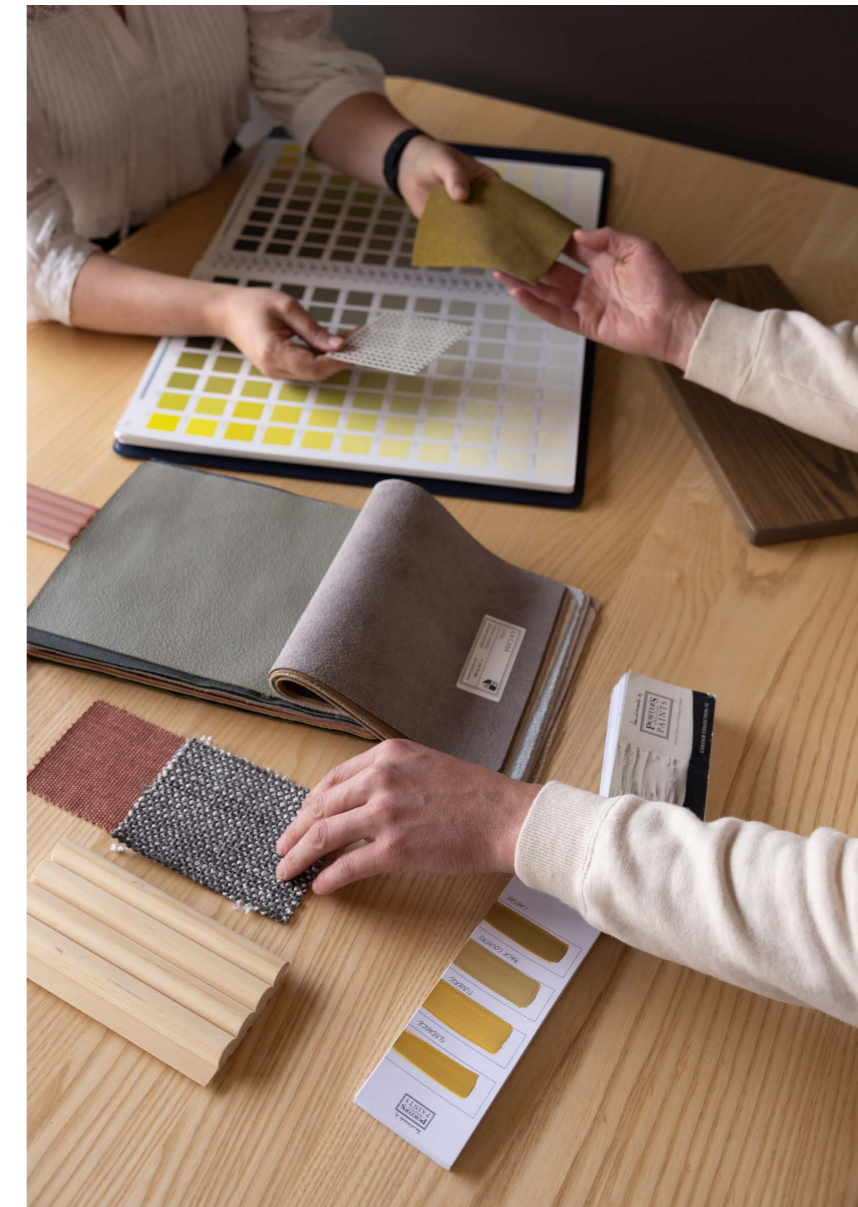

Welcome spaces for spontaneous connection and informal collaboration

Social

Places to gather connect and build friendships

Retreat

Made for more personal one to one connections and spaces to retreat to without being disconnected

Made personal.

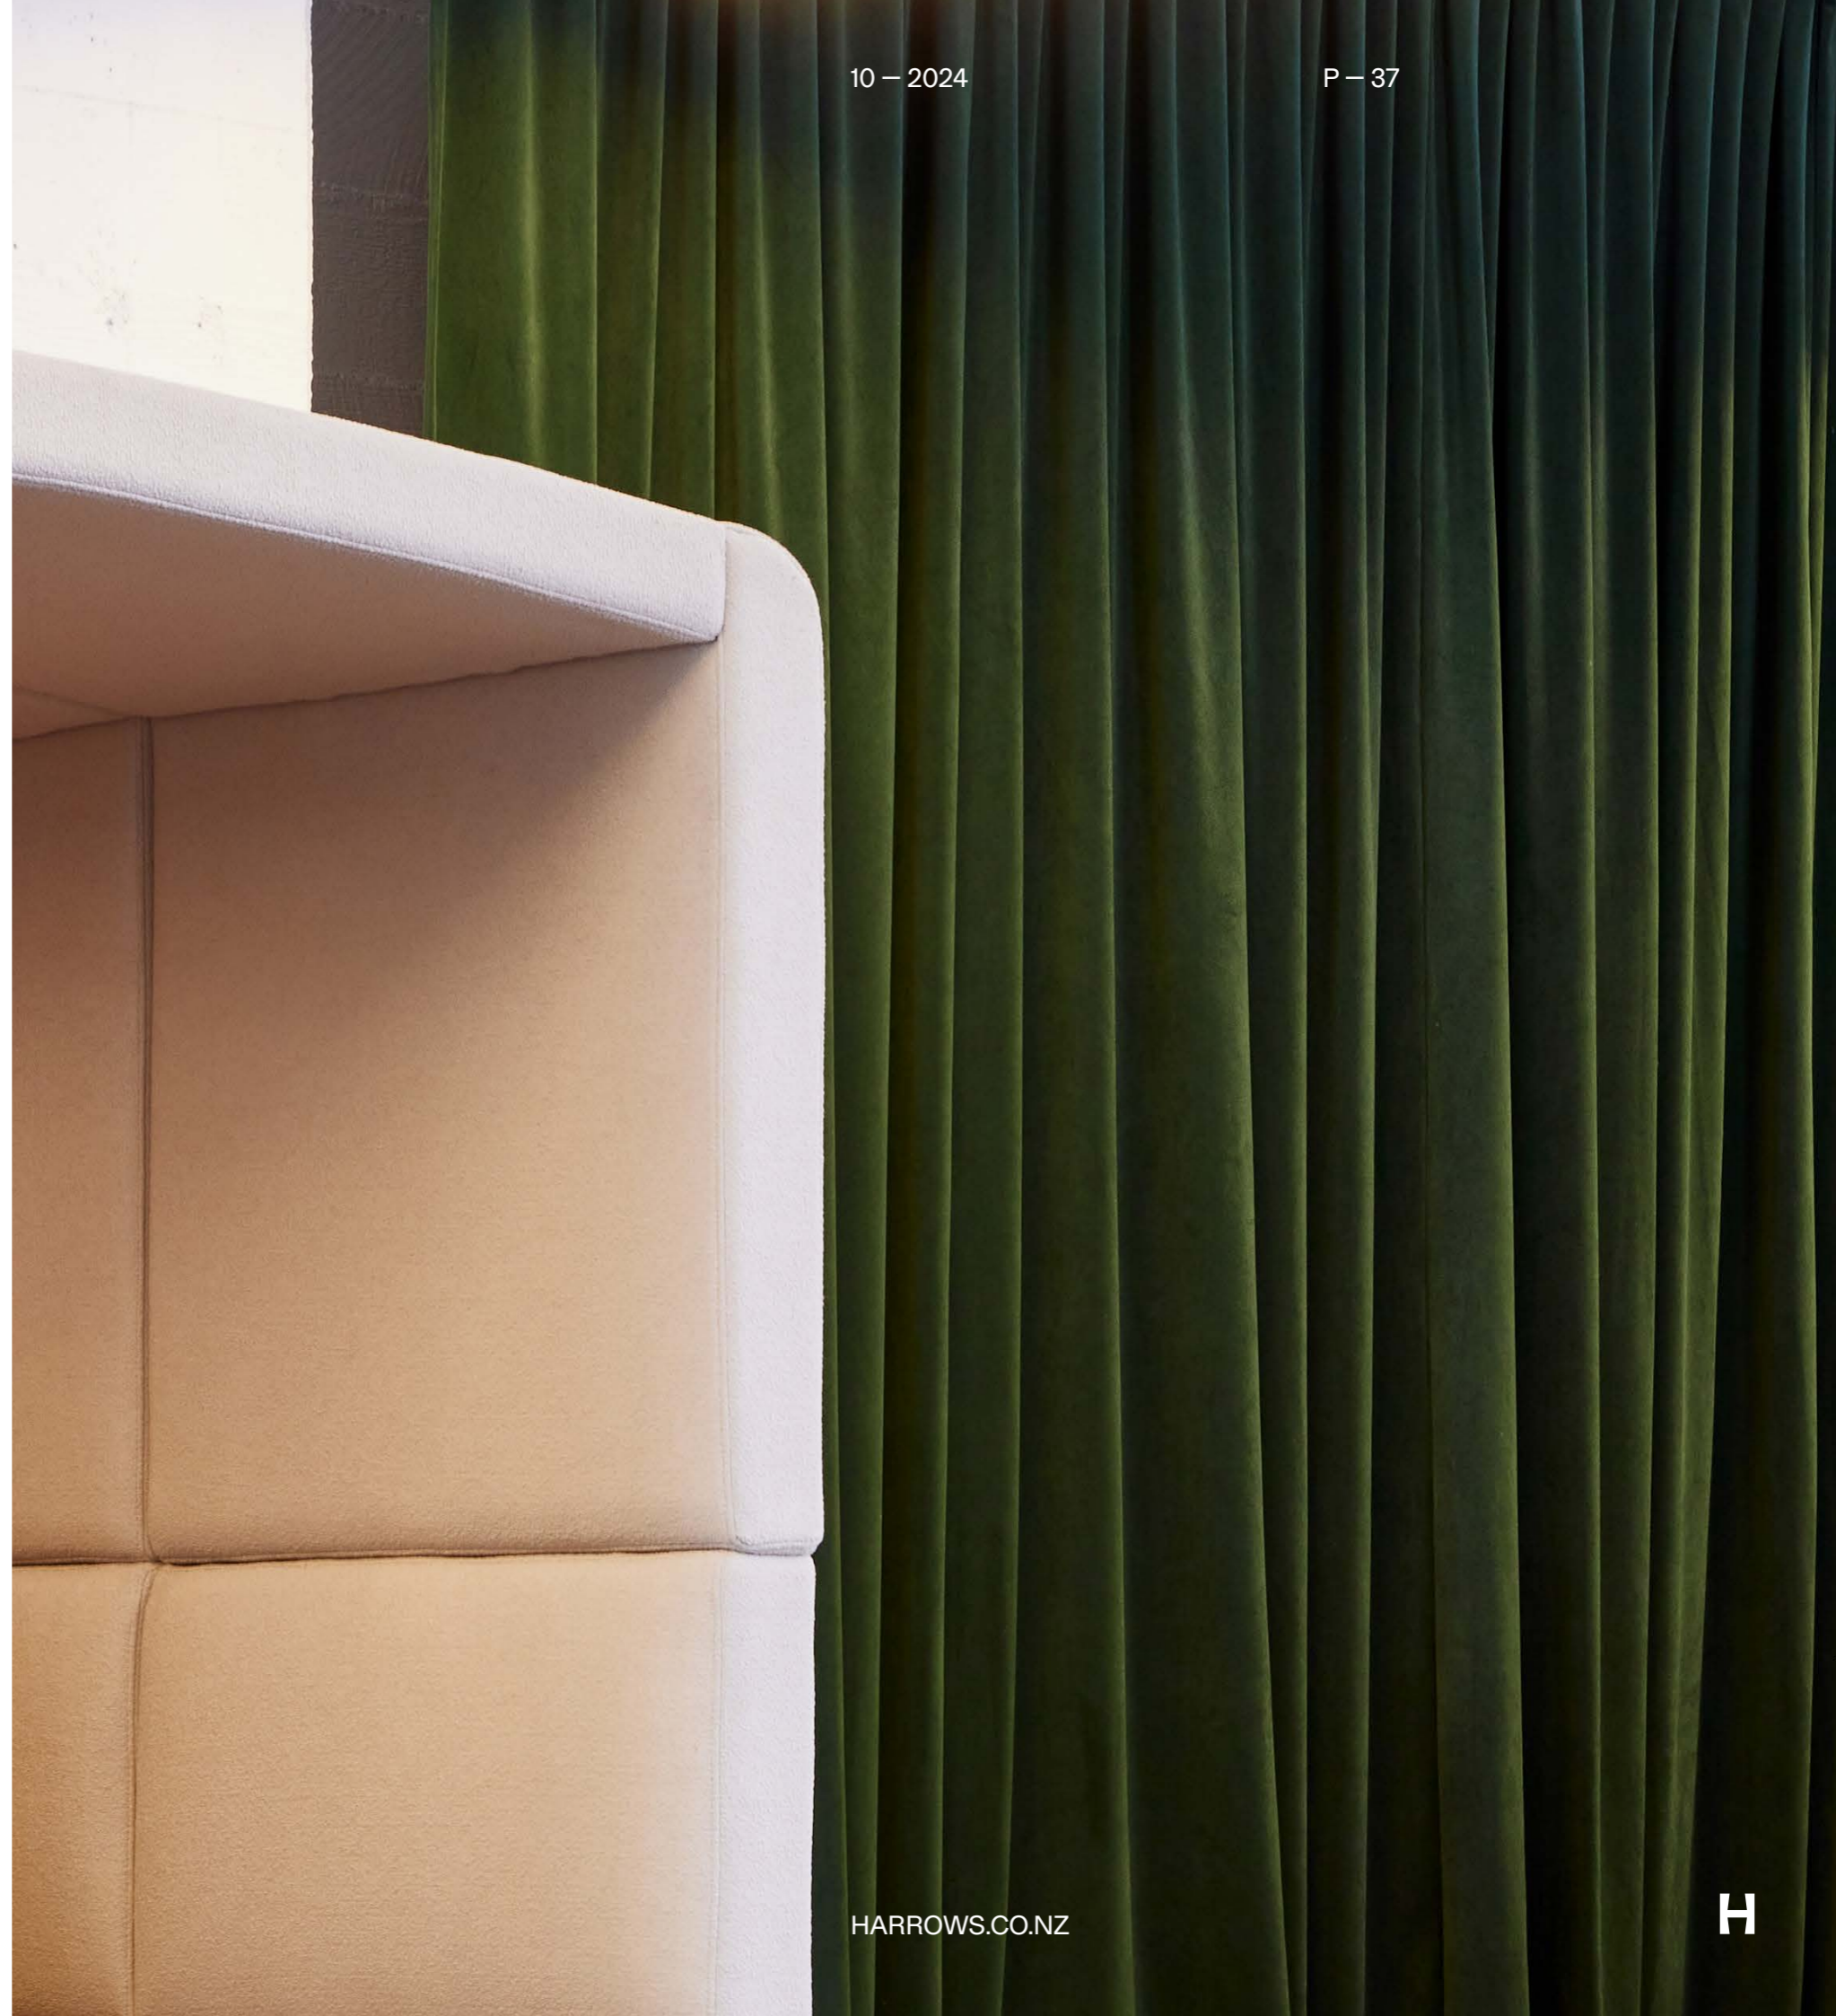

We are real people, backing it up with real skills. Thoughtfully crafted designs made here in NZ by family-owned third generation furniture makers. Our workshop is a bustling hub of creativity and expertise. Inhouse teams for everything – laminating, machining, engineering, fitting, assembly, powder coating, polishing, painting, and upholstery.

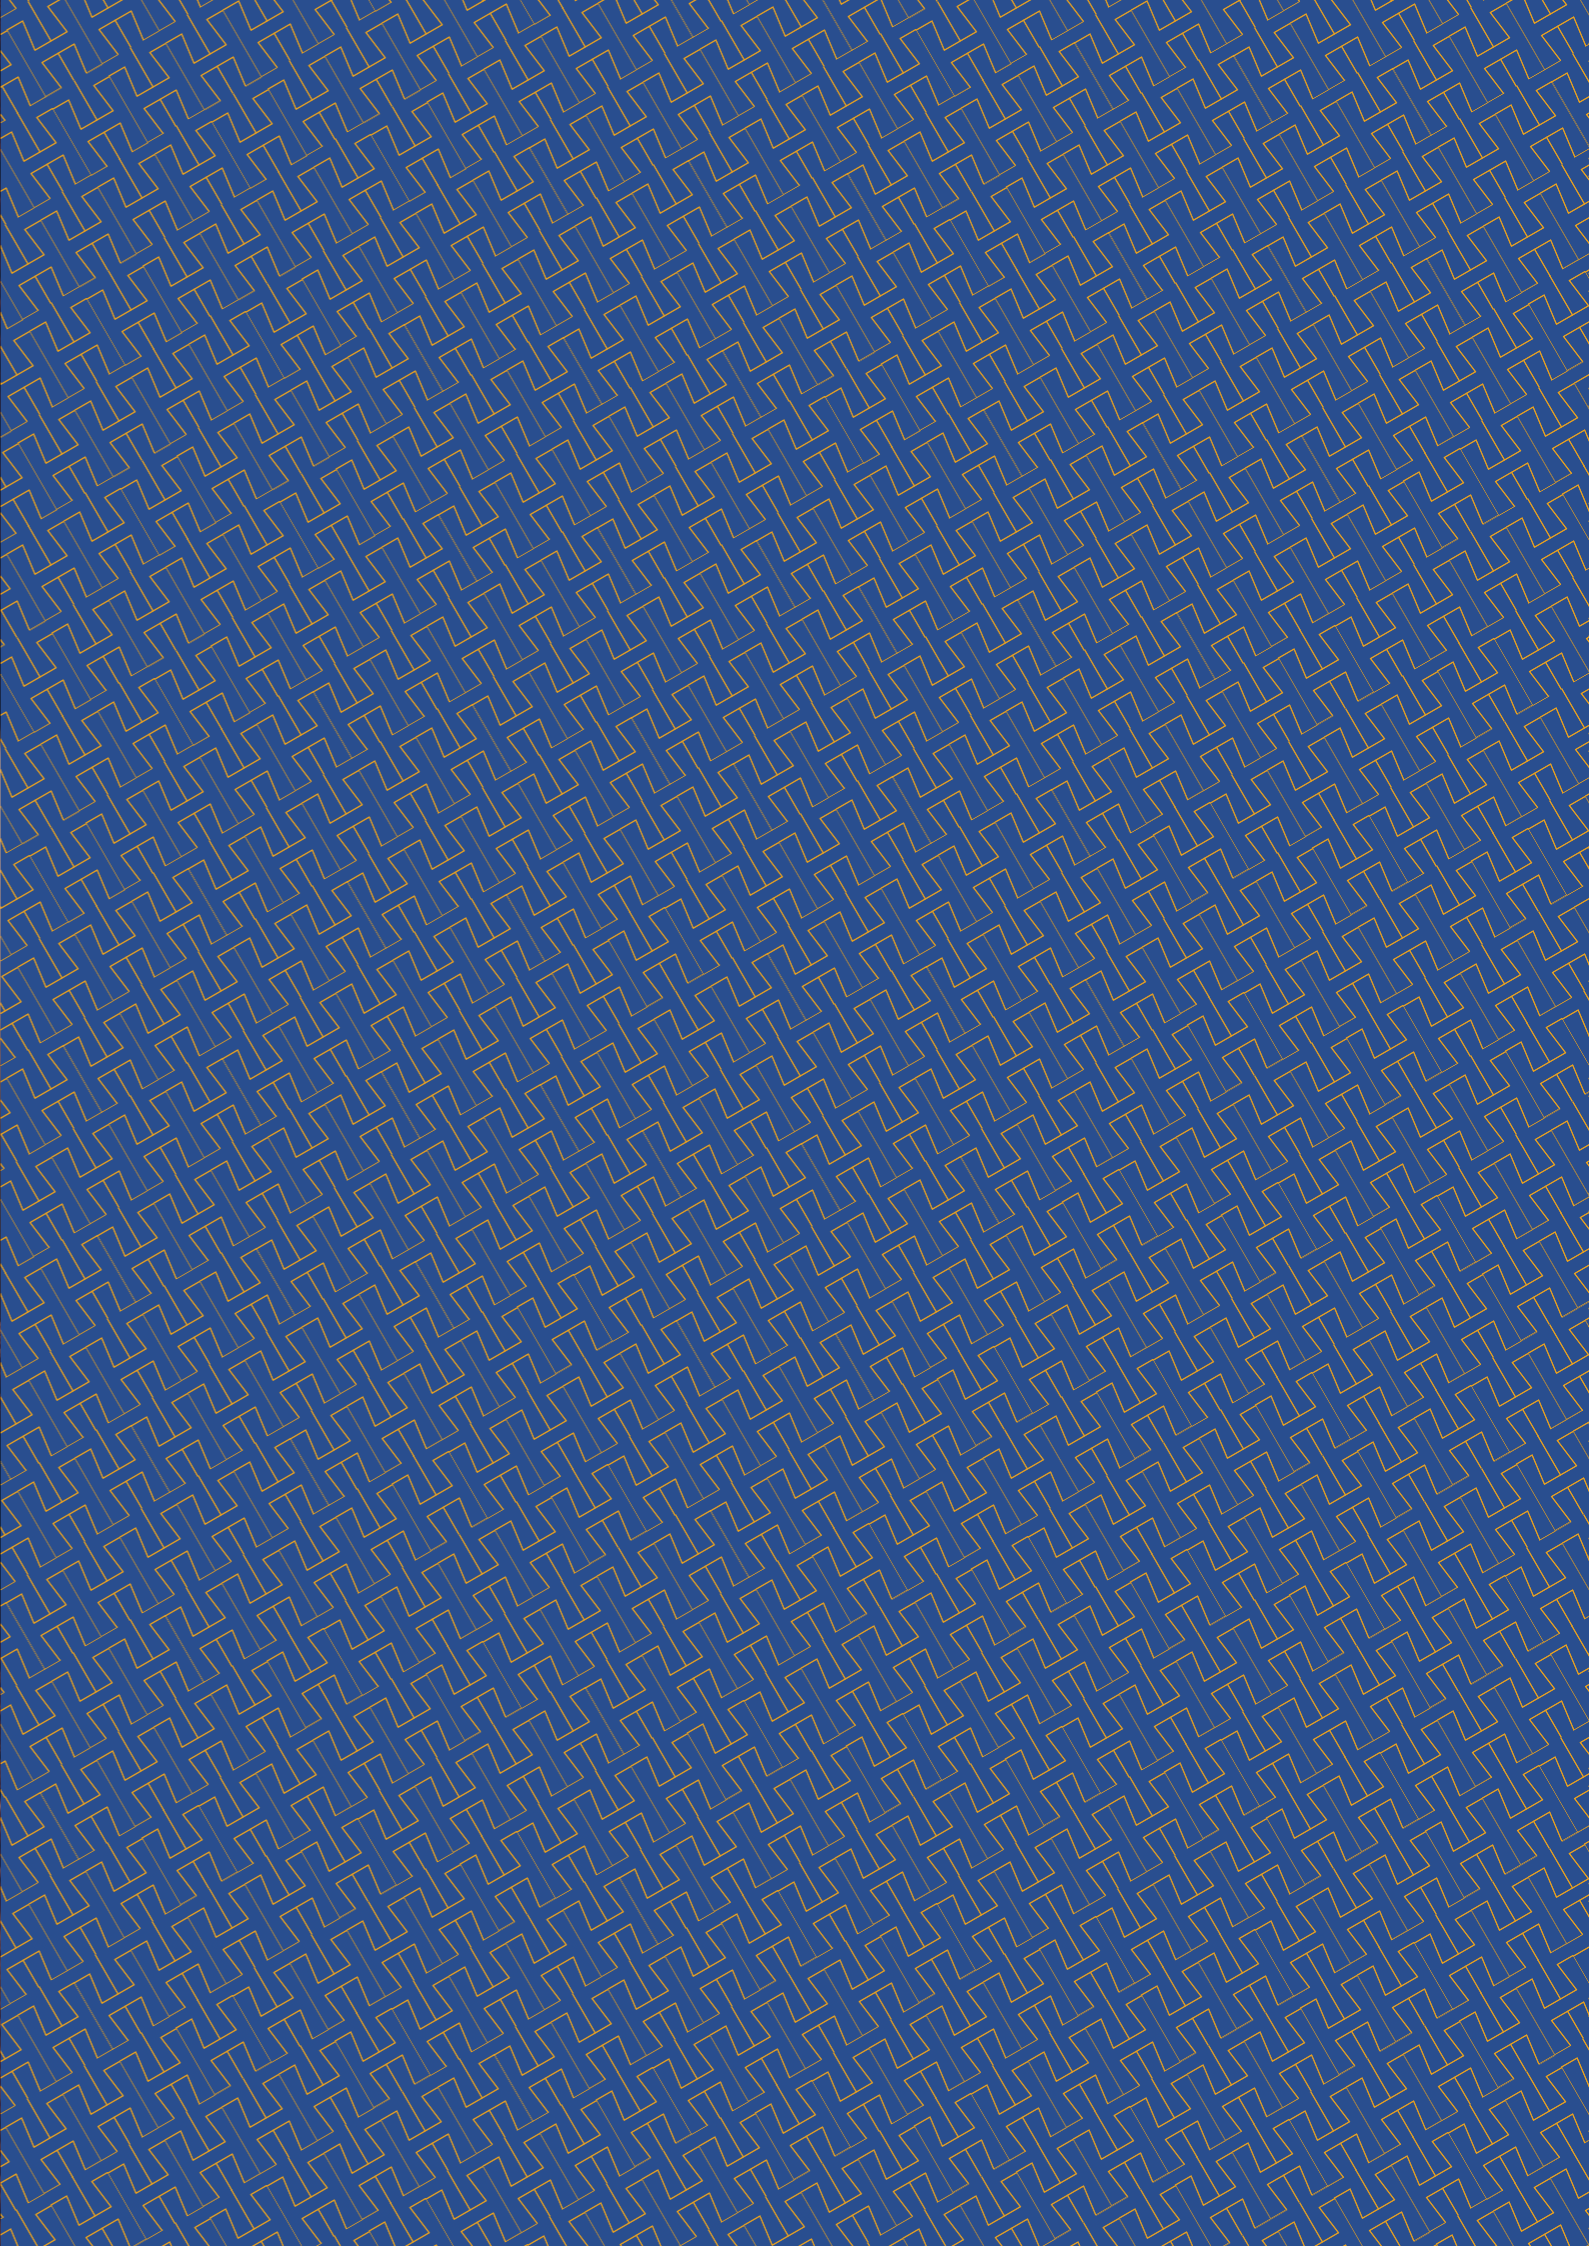

It's where the magic happens, where each piece comes to life with skill, craftsmanship and a finish that's uniquely yours.

Made for life.

Array carries GreenRate™ Level C certification and PlatinumHEALTH™ HealthRATE™ certifications under the Global GreenTag International Product Health Declaration™ (GreenTag PHD™) program.

In the Green Star® NZ program Level C carries 50% of the credit points. The GreenTag PHD is recognised by WELL™ and LEED®. A copy of each GreenRate certificate can be downloaded from product resource section.

Life is built on the interaction of people. We fill spaces with thoughtfully crafted furniture to facilitate these interactions.

Let's talk.
