Introducing Curio

Playful yet professional, Curio brings the comfort of home to any commercial environment.

A complete lounge collection featuring chairs, lounges, and corner arrangements. Curio’s design language of sculptural softness injects a sense of welcome, presence, and elegance.

Organic
shapes to invite
and intrigue.

Fully Upholstered

Finished in any fabric, Curio is fully upholstered in our factory to your fabric specification. A striking piped edge detail elevates the finishing.

Modest Footprint

Curio has a modest footprint thanks to its mounted and wrapped backrest. Create luxurious spaces and moments without sacrificing floor area.

Swivel Base

Curio Collection features a Swivel Armchair - available with an auto-return mechanism or a full swivel base for flexible movement. Curio Swivel is the same dimensions as a standard Curio Armchair.

Comfort

Curio is constructed using timber framing with a high grade foam for a supportive and comfortable lounge suitable for commercial settings.

Ottoman

Designed to pair seamlessly with the Curio Collection, the Curio Ottoman provides additional comfort and flexibility. Its fully upholstered form can be used as a footrest, casual seat or collaborative perch, making it a versatile addition to commercial lounge environments.

A Full Range of Lounge Options

The Curio Range includes a series of single seaters - armchair, swivel armchair and lounge chair, plus a series of extended lounges - 2 seater, 3 seater, 4 piece and 5 piece corner arrangements.
