# Introducing Poise

Versatile strong and attractive Poise Timber speaks volumes in any setting. Made from Solid timber, the top features a cut-away shark nose edge profile and distinctive boat shaped top. Robust and durable Poise Timber is also lightweight and practical.

Poise Timber features a range of tables, conference tables, leaners and occasionals in different sizes, finished to your specifications.

Where  
meaningful  
connections  
are fostered.

Power Options

A range of power + data options can be seamlessly integrated into the natural timber grain. These options vary in design and ability, ranging from the seamlessly integrated Flip Power and In desk Power Boxes, to simple cut outs with cable trays.

Solid Timber Top

Poise Timber has a solid American Ash top, with a distinctive boat shape. It can be stained in any of our 24 standard colors.

Sharknose Edge

Featuring a 15° Sharknose edge and a refined 3mm radius for a curved aesthetic to soften a space.

Steel Legs

Tops are mounted on distinctive steel legs, providing a sturdy and sleek design that can be powder coated in any colour.

Range of sizes

Poise offers tables, leaners, occasional tables and conference tables all in a range of sizes.
